Nature City : The passion of Jaipur

Jaipur is replete with reflections of centuries old history, tales of heroism, architectural grandeur, rich culture and diverse traditions. From past to present, and onwards to the future, Jaipur is now swiftly moving into a new era... where modernity and tradition continue to coexist in harmony. Nature City is conveniently located at Ajmer Road NH-8, Jaipur, near Kishangarh International Airport and Birla Institute of Technology (BITS).

At Nature City, you can choose from various plot sizes. The plots are offered as freehold property with full ownership rights. To make buying this prime property even easier, convenient installment payment plans are also available. Nature City also features fully developed infrastructure to ensure that you lead a comfortable and secure life. Wide metaled roads, plentiful fresh water supply, round the clock security. And, it is an exciting, high potential investment too!

About Nature City

Nature City is a Grand Residential township project near the SEZ on Ajmer road and is being developed looking at the population of 10,000,00 new residents by 2017.

It has small plots starting 100 sq. yds. Which fits in the budget of new home aspirants. Most of the people working in the companies in the SEZ will represent the strong middle class and hence our affordable plots will be high in demand.
